

A couple, a man in a kilt and a woman in a long dress, are seen from behind, standing on a path and watching a massive fireworks display at night. The fireworks are exploding in the sky, creating a large, bright, and colorful spectacle. The scene is set in a park-like area with a path and some greenery.

Firework Packages

Give your wedding that extra WOW factor with one of our fireworks packages.

The main differences between the packages are the timings and design, although time is not everything! Our Platinum and Ultimate package may be slightly shorter, however we add in more firing positions making your show much wider filling the sky.

Your display will have striking elaborate formations giving you and your guests that vital wow factor that will have you all talking about for years to come!

Bronze Package – 5/6 Minutes - £1150

Silver Package – 5/6 Minutes + Flaming Hearts - £1400

Gold Package – 7/8 Minutes + Flaming Hearts - £1600

Platinum Package – 7/8 Minutes + Flaming Hearts + Cold Fountains - £1850

Ultimate Package – 10 Minutes + Flaming Hearts + Cold Fountains - £2150

(Prices Exclude Vat)

Sparklers also available on request at users own risk at £1.99 for a pack of 4

Fireworks to Music Packages

Nothing compliments fireworks like music.

Give your display that magical feeling by adding your favourite personal tracks.

Adding next level emotion, the fireworks will be in sync hitting the high and low's within the music

Our price includes mixing of your music, design and PA hire

Add £500 onto your package price from above
(Price excludes Vat)

Dancing Flames

Bring something unique to your wedding.

With a dancing flame show to music or incorporate these 7 meter flames into your firework display.

The flames can be close proximity to your guests. Amazing for those cooler nights where you can definitely feel the heat.

We use the best there is on the market and in technology, The Galaxis G Flame system is made in Germany and now exported to many countries in the world. These are the only type of units to be used in outdoor and indoor concerts and on TV shows.

Prices for the flames start from £400+VAT incorporated within a firework display.

It is endless with what we can do for you!

Flaming Hearts

A new and exceptional way to light up your entrance with our 8 foot flaming hearts. An amazing photo opportunity for you and your guests. You can even light your sparklers from them!

We are the only company in the UK to have these! A unique way to light up the building and create an entrance.

Lasting approx. 2-3 hours (Weather depending)
£450+Vat on their own or
£300+Vat as part of a package

Daytime Smokes

You know you are onto something special and unique when these beautiful images are produced. Bring something fresh to your photo album and add these amazing coloured smokes to your photo shoot or even the end of your ceremony when you take your first kiss

Pricing – POR. We need to discuss this in detail with you to make sure that shot is perfect!

Epic Confetti

Capture your big moments with a confetti Cannon.

Different from the rest! We are not 1 pop and the moment is over, no! Our fan-based cannon will continue to blow confetti as long as we feed it. Ever popular, confetti lasting for the duration of your first dance if not longer, enabling everyone to enjoy the moment and capture those all-important snaps!

Wow your guests with a Confetti Cannon for your first dance, cutting the cake or room entrance. You can even choose your own colours..... (Venue depending)

Perfect for photo and video opportunities.

£350+Vat on its own or £250+Vat as part of a package

Cold Fountains

These units are safe and smoke free. Most venues will not allow the pyrotechnic fountains so here is your alternative.

With cold fall out you are even able to pass your hand through the spark!

With adjustable height 2-5m, low noise and capacity to control the times, they are safe and they are gorgeous!

£350+Vat on their own or £200+Vat as part of a package

Mood Lighting

Mood lighting (often known as uplighting) is an extremely effective way of transforming your wedding venue, giving it some colour, and setting the mood!

Our uplighters are battery powered, wireless and use LEDs. This means no more ugly cables around the outside of function rooms! It also means the lights do not get hot so they are safe to place anywhere around venues.

Hire price from £250
(Terms apply)

Building Uplighters

Amaze your guests by uplighting the magnificent venue you have hired. Uplighting creates an elegant atmosphere and certainly sets the mood

Our hire price includes hire of a generator making the lights suitable for just about anywhere, they even look great lighting up trees!

Pricing starts from £900 + Vat (This will be from when your evening guests arrive to finish)

Or £750 + Vat as part of a package
